

**Directions to the Office of Prospective Health  
Edward Warren Life Science Building  
Room 188  
(252) 744-2070**

**FROM STANTONSBURG DRIVE TO ARLINGTON BLVD**

- From Stantonburg Road turn onto Arlington Blvd. (★) (If you are driving straight down Arlington Blvd. you will drive across Stantonburg Road and stay straight on Arlington.)
- The Food Lion Shopping Center will be to your left. Drive straight down Arlington Blvd. until you reach the next stoplight.

- This will be Arlington Blvd. and Heart Drive. (★)
- The Minor Emergency Room will be on your right at this stoplight and you will see a sign that reads “Emergency Drive.”

- Turn **RIGHT** onto Heart Drive and get into the left hand lane. Drive until you reach the red blinking light. (★) The helicopter pad will be to your right. The Heart Center (ECHI) will be to your left.
- Turn **LEFT** onto N. Emergency Drive. Immediately turn **RIGHT** into the parking lot in front of the Ed Warren Life Science Building. The parking lot is one way so drive all the way to the end of the parking lot to the back of the Brody Building. It will say “ECU Physicians Outpatient Clinics” on the building. Circle around and head back out of the parking lot. The Ed Warren Life Science Building will be to your right. Park in front of the Ed Warren Life Science Building and the door to Prospective Health is right where the covered walkway meets the building. Park in front of the Ed Warren Life Science Building and the door to Prospective Health is right where the covered walkway meets

the building. It is a single glass door that reads “Prospective & Employee Health.” (★) Enter through the single door and go down the hall to the 4<sup>th</sup> door on the right (double doors)

Edward Warren Life Science Building

Arrow marks the single door to the Office of Prospective Health
